By proxy

If a Shareholder is unable to participate virtually and vote at the AGM, they are entitled to appoint a proxy to attend and vote on their behalf.

To do so, they should mark 'Appoint a Proxy' in Step 1 on their proxy form to appoint the Chairman of the Meeting as their proxy or insert their alternative proxy in the space provided.

The following applies to proxy appointments:

- a proxy need not be a Shareholder and may be an individual or a body corporate. If a body corporate is appointed as a proxy, it must ensure that it appoints an individual as its corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the Meeting;
- a Shareholder entitled to cast two or more votes may appoint two proxies; and
- where two proxies are appointed, each proxy may be appointment to represent a specified proportion of the Shareholder's voting rights. If a Shareholder appoints two proxies and the appointment does not specify a proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise half of that Shareholder's votes.

If a Shareholder requires an additional proxy form, they must contact the Share Registry on 1300 554 474, which will supply it on request. Please return both proxy forms together to the Share Registry.

To be valid, a proxy must be received by the Company in the manner stipulated above. The Company reserves the right to declare invalid any proxy not received in this manner.

The Share Registry will contact proxyholders by email within 24 hours prior to the scheduled start of the Meeting to provide them with the proxy code required to log into the online platform to participate in the AGM.

Proxies from corporate Shareholders must be executed in accordance with their constitution or signed by a duly authorised attorney.

Proxy voting

A proxy may decide whether to vote on a Resolution except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as a proxy. If a proxy's appointment directs the way to vote on a Resolution, the proxy must vote on the Resolution in accordance with that direction (subject to the other provisions of this Notice, including the voting restrictions noted below). If a proxy is not directed how to vote on a Resolution, a proxy may vote how they see fit.

Proxy voting by Chairman of the Meeting

The Constitution allows for the Chairman of the Meeting to be appointed as a proxy including where a Shareholder has not identified the person who may exercise their proxy. If the Chairman of the Meeting is a proxy, either by appointment or default, and the appointment does not provide any voting directions on the proxy form, by signing and returning the proxy form, a Shareholder will be expressly authorising the Chairman of the Meeting to cast their vote on a Resolution as the Chairman of the Meeting sees fit. This applies even if the Resolution is connected directly or indirectly with the remuneration of a member of the Company's Key Management Personnel (**KMP**).

The Chairman of the Meeting intends to vote undirected proxies in favour of all Resolutions set out in this Notice.

Voting Restrictions

Voting restrictions apply to the KMP and their closely related parties which affect proxy voting. Members of the KMP include each of the current and recent former Non-Executive Directors, the current and recent former Chief Executive Officer & Managing Director, the Chief Financial Officer and the Chief Operations Officer. Their 'closely related parties' are defined in the Corporations Act, and include the KMP's spouse, dependants and certain other close family members, as well as any companies controlled by the KMP, or the KMP's spouse, dependants and certain other close family members.

Members of the KMP and their closely related parties will not be able to vote an eligible proxy on the Resolutions under Item 2 and Item 4 unless directed how to vote on the proxy form or the Chairman of the Meeting is the proxy and has been expressly authorised to exercise the proxy.

VOTING EXCLUSION STATEMENTS

Item 2

The Company will disregard any votes cast on the Resolution under Item 2 (adoption of the Remuneration Report):

- by or on behalf of a member of the KMP whose remuneration is disclosed in the 2020 Remuneration Report and their closely related parties regardless of the capacity in which the votes are cast; and
- as a proxy by a member of the KMP and any of their closely related parties,

unless the votes are cast as proxy for a person entitled to vote on the Resolution under Item 2:

- in accordance with a direction on the proxy form; or
- by the Chairman of the Meeting pursuant to an express authorisation on the proxy form to exercise the proxy as the Chairman of the Meeting sees fit.

Item 4

The Company will disregard any votes cast on the Resolution under Item 4 (approval of participation of Chris Price in the Company's Equity Incentive Plan):

- in favour of the Resolution, in any capacity, by or on behalf of Chris Price or any of his associates; or
- as a proxy by a member of the KMP and any of their closely related parties,

unless the votes are cast:

- as proxy for a person entitled to vote on the Resolution under Item 4:
 - in accordance with a direction on the proxy form; or
 - by the Chairman of the Meeting pursuant to an express authorisation on the proxy form to exercise the proxy as the Chairman of the Meeting sees fit; or
- where the holder is acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided that:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting and is not an associate of a person excluded from voting on the resolution; and
 - the holder votes on the Resolution under Item 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

EXPLANATORY NOTES

INTRODUCTION

These Explanatory Notes have been prepared for the information of Shareholders in Japara in relation to the business to be conducted at the Company's AGM to be held on 30 October 2020.

The purpose of these Explanatory Notes is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote on the Resolutions.

ITEM 1: CONSIDERATION OF REPORTS

As required by the Corporations Act, the Company's Financial Report, the Directors' Report and Independent Auditor's Report for the financial year ended 30 June 2020 (**Reports**) will be presented for consideration by Shareholders.

Each of the Reports is contained within the Company's 2020 Annual Report which is available on the Company's investor centre website at: <https://investor.japara.com.au/Investor-Centre/?page=Annual-Reports>.

While this Item does not require a formal resolution to be put to the Meeting, Shareholders will be provided with a reasonable opportunity to comment on or ask questions about the Reports and on the management of the Company. The Company's Auditor, KPMG, will be in attendance to take questions from Shareholders.

ITEM 2: ADOPTION OF THE REMUNERATION REPORT

Section 250R of the Corporations Act requires that the section of the Directors' Report dealing with the remuneration of Directors and other Key Management Personnel (**Remuneration Report**) be put to Shareholders for adoption by way of a non-binding "advisory" vote.

The Remuneration Report sets out the remuneration arrangements of the Company for Directors and other Key Management Personnel of Japara.

The Remuneration Report is set out in the Company's 2020 Annual Report, available on the Company's investor centre website at: <https://investor.japara.com.au/Investor-Centre/?page=Annual-Reports>.

The Chairman of the Meeting will give Shareholders a reasonable opportunity to comment on or ask questions about the Remuneration Report.

Recommendation: The Directors recommend that Shareholders vote in favour of the Resolution for adoption of the Remuneration Report.

ITEM 3: RE-ELECTION OF JOANNE STEPHENSON

In accordance with rule 8.1 of the Constitution, Ms JoAnne Stephenson retires, and being eligible, offers herself for re-election as a Director of Japara.

JoAnne was appointed as a Non-Executive Director of Japara on 1 September 2015.

She is the recently appointed Chairman of the Audit, Risk and Compliance Committee, a member (and the recent former Chairman) of the People, Culture and Remuneration Nomination Committee and a member of the Zero Harm Committee.

JoAnne holds a Bachelor of Commerce and Bachelor of Laws (Honours) from the University of Queensland and is a member of Chartered Accountants Australia and New Zealand and the Australian Institute of Company Directors.

She has over 25 years of extensive experience in financial services having been a partner with KPMG and has key strengths in finance, accounting, risk management and governance.

JoAnne is a Non-Executive Director of Challenger, Asaleo Care and Myer Holdings. She is also Chair of the Major Transport Infrastructure Board (Victoria).

The Board considers JoAnne to be independent.

The Resolution for this Item is an ordinary resolution requiring a simple majority of votes cast in favour by Shareholders entitled to vote on the Resolution.

Recommendation: The Directors (with JoAnne Stephenson abstaining) recommend that Shareholders vote in favour of the Resolution for the re-election of JoAnne Stephenson as a Director.

ITEM 4: APPROVAL OF PARTICIPATION OF CHRIS PRICE IN THE COMPANY'S EQUITY INCENTIVE PLAN

The Board proposes to grant performance rights under the Company's Equity Incentive Plan (**EIP**) to the Company's Chief Executive Officer and Managing Director, Chris Price. The terms of the performance rights proposed to be granted to Chris Price are set out below.

Rationale for grant of performance rights to Chris Price under the EIP

Chris Price's participation in the EIP will tie this component of his performance based remuneration to the long-term performance of the Company which, the Board believes, will further encourage him to focus on creating value for Shareholders and to remain with the Company.

Material terms of the EIP

A summary of the material terms of the EIP under which the performance rights will be granted to Chris Price is set out below:

- Unless the Board determines otherwise, no payment is required for the grant of a performance right.
- A performance right will entitle the participant to one Share (or, in certain circumstances, to a cash payment in lieu of a Share) once applicable conditions have been satisfied.
- Subject to the Board's discretion, performance rights will only vest if each vesting condition and all other relevant conditions advised to the participant by the Board in an offer have been satisfied. Vesting conditions are determined by the Board and may include conditions relating to any or all of:
 - continuing employment;
 - performance of the participant;
 - performance of the Company; or
 - the occurrence of specific events.
- If the participant remains an employee and applicable vesting conditions are not satisfied during the relevant performance period, those performance rights will lapse. Participants must not sell, transfer, encumber, hedge or otherwise deal with performance rights.
- The Board has discretion over the treatment of performance rights in the event of a change of control of the Company and cessation of employment.
- The Board must issue or procure the transfer or setting aside of Shares for participants to satisfy vesting performance rights.
- Shares or amounts received from performance rights which have vested are subject to claw back under certain circumstances including material misstatement or omission in the Group's financial statements, fraud, dishonesty or gross misconduct and breach of obligations.

Approval for the purposes of the Listing Rules

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- 10.4.1 a director of the company;
- 10.4.2 an associate of a director of the company; or
- 10.4.3 a person whose relationship with the company or a person referred to above is such that, in the ASX's opinion, the acquisition should be approved by its shareholders.

Listing Rule 10.14 also requires that the Notice of Meeting to obtain shareholder approval must comply with the requirements set out in Listing Rule 10.15.

The EIP is an employee incentive scheme for the purposes of the Listing Rules.

As the proposed grant of performance rights to Chris Price (**the Grant**) as a Director falls within Listing Rule 10.14.1 mentioned above, Shareholder approval is required under Listing Rule 10.14 for the Grant to proceed. The Resolution for this Item seeks the required approval for the Grant for the purposes of Listing Rule 10.14 and all other purposes.

If the Resolution for this Item is passed, the Company will be able to proceed with the Grant which will entitle Chris Price to Shares (or, in certain circumstances, to a cash payment in lieu of Shares) if the applicable conditions attaching to the performance rights are satisfied. If the Resolution for this Item is not passed, the Company will not be able to proceed with the Grant and the Board will consider alternative long-term incentive performance arrangements for Chris Price.

Terms on which the performance rights will be granted to Chris Price

Subject to the approval of the Resolution for this Item, it is proposed that up to 1,440,000 performance rights will be granted to Chris Price. These performance rights will be subject to a gateway hurdle and vesting conditions (together, the **Performance Conditions**) described below.

If the gateway hurdle is met and the vesting conditions are satisfied, Chris Price's performance rights will vest and he will be entitled to the number of Shares in respect of those rights which have vested. He will then be entitled to deal with the Shares in accordance with the rules of the EIP (subject to other legal restrictions, such as under the Company's policy for dealing in securities).

The performance rights are subject to a **performance period** of four years from 1 July 2020 to 30 June 2024.

Subject to the Board's discretion in the event of cessation of employment, if the gateway hurdle is not met or none of the vesting conditions are satisfied, none of the performance rights granted to Chris Price will vest. Any performance rights that remain unvested at the end of the performance period will lapse.

Gateway hurdle

The proposed grant of performance rights to Chris Price (and other senior executives of the Company under the EIP) is subject to the following gateway hurdle:

- there must be no material breach of regulatory or compliance guidelines across the Company's business operations.

Vesting conditions

The proposed grant of performance rights to Chris Price is also linked to an earnings per share (**EPS**) hurdle and a total shareholder returns (**TSR**) hurdle, weighted at 60% and 40% respectively (i.e. vesting of 60% of the performance rights will be dependent on satisfaction of the EPS hurdle and 40% on satisfaction of the TSR hurdle).

EPS hurdle

EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of Shares on issue during a financial year.

The EPS hurdle is measured by calculating the Compound Annual Growth Rate (**CAGR**) of EPS for the performance period and comparing this to the CAGR of EPS targets as set out in the table below:

Group's CAGR of EPS over the performance period	% of performance rights that can vest¹
Below 2%	Nil
At 2%	40%
Between 2% and 4%	40% increasing on a straight line basis
At or in excess of 4%	100%

TSR hurdle

TSR correlates with the amount of dividends paid to shareholders and the growth (or reduction) in the Company's share price.

The TSR hurdle is measured on an absolute basis, being the Absolute Total Shareholder Return (**ATSR**), by calculating the CAGR of ATSR for the performance period and comparing this to the CAGR of ATSR targets as set out in the table below:

Group's CAGR of ATSR over the performance period	% of performance rights that can vest²
Below 5%	Nil
At 5%	40%
Between 5% and 8%	40% increasing on a straight line basis
At or in excess of 8%	100%

The above EPS and TSR targets remain unchanged from last year, being set by the Board to reflect its performance expectations for the financial years between 1 July 2020 and 30 June 2024 (i.e. during the performance period). The targets take into account prevailing market conditions and outlook, as well as the performance achieved by the Company for the 2020 financial year. In setting the targets, the Board aims to strike an appropriate balance between making the targets achievable and motivating exceptional performance of its executives. The Board determines the extent to which the Performance Conditions are met or satisfied in its absolute discretion, having regard to any matters that it considers relevant.

In the Board's view, the vesting conditions that must be satisfied before the performance rights vest link the value of the rights to the continued performance and growth of the Company, and the growth in Shareholder returns, therefore providing a significant incentive for Chris Price.

¹ The maximum performance rights that can vest upon satisfaction of the EPS hurdle is 60% of the total performance rights.

² The maximum performance rights that can vest upon satisfaction of the ATSR hurdle is 40% of the total performance rights.

The following information is also provided in relation to Chris Price's proposed participation in the EIP in accordance with Listing Rules 10.14 and 10.15 and the Corporations Act:

<p>Maximum number of securities that may be issued to Chris Price if Shareholder approval is provided</p>	<p>Performance rights are the Board's preferred equity instrument for incentives granted under the EIP. Chris Price will be granted up to 1,440,000 performance rights based on an attributed value of \$720,000 (equivalent to 100% of his current total fixed remuneration). The formula used to calculate the maximum number of performance rights to be granted is the attributed value divided by the volume weighted average price of the Company's Shares over the last 10 trading days up to and including 30 June 2020 (being \$0.50). This results in a maximum of 1,440,000 performance rights being granted. No independent valuation has been received in respect to the attributed value.</p>
<p>The date by which the Company will issue the securities</p>	<p>The Board has resolved to grant the performance rights to Chris Price no later than 12 months following the AGM, subject to Shareholders approving the Resolution for this Item.</p>
<p>Price at which the securities will be issued</p>	<p>The performance rights will be granted at nil cost. Once the performance rights vest, each performance right entitles Chris Price to one Share at nil cost.</p>
<p>Category and remuneration package</p>	<p>Chris Price is the CEO & Managing Director of the Company.</p> <p>His current total fixed remuneration (TFR) is \$720,000 per annum. In addition, he is entitled to maximum potential short-term and long-term incentive opportunities of 50% and 100% of his TFR respectively for FY2021. The proposed grant of performance rights is the long-term incentive component referred to above. Further details, including on the remuneration framework applying to Chris Price, are outlined in the Remuneration Report as set out in the Company's 2020 Annual Report.</p>
<p>Previous securities issued</p>	<p>Since November 2016, a total of 982,454 performance rights have been granted to Chris Price under the EIP in his previous role as Chief Financial Officer of the Company. These were granted at no cost for long-term and retention incentive purposes. 131,894 performance rights remain unvested, with the balance having been forfeited and cancelled.</p>
<p>Terms of any Loan</p>	<p>No Loan will be provided by the Company in relation to the grant of the performance rights proposed to be made to Chris Price.</p>
<p>Directors' interest in the outcome of the resolution</p>	<p>Other than Chris Price, no other Directors have an interest in the outcome of this Resolution.</p>

<p>Listing Rule 10.5.11 statement</p>	<p>Other than Chris Price, no other Directors are eligible to participate in the EIP, with all being Non-Executive Directors.</p> <p>Should any additional person covered by Listing Rule 10.14 become entitled to participate in an issue of securities under the EIP after the Resolution for this Item is approved, such person will not participate until Shareholder approval is obtained under Listing Rule 10.14.</p> <p>Details of securities issued under the EIP will be published in the Company's Annual Report relating to the period in which they were granted, along with a statement confirming Shareholder approval was obtained under Listing Rule 10.14.</p>

Approval of potential termination benefits

The benefits that can be given to people who hold a 'managerial or executive office' on leaving their employment with a company are restricted under section 200B of the Corporations Act. A benefit in connection with a person ceasing to hold such an office may only be given by a company where the benefit falls within an exemption under the Corporations Act or is approved by shareholders.

The term 'benefit' has a wide meaning which may extend to the benefits received by Chris Price through the Board exercising its discretion under the EIP upon ceasing his employment with the Company.

Under the EIP, where Chris Price ceases his employment before the Performance Conditions are met or satisfied, the Board may exercise its discretion to determine that some or all of his performance rights will vest (immediately or subject to conditions) and therefore be entitled to a Share per vesting performance right or cash payment in lieu of a Share. The Board's current policy is to allow accelerated vesting in the event of total and permanent disability or a change of control of the Company. The Board also has regard to good leaver provisions whereby at its discretion, unvested performance rights would remain on-foot and be tested at the end of the relevant performance period.

If the Board exercises its discretion to determine that some or all of Chris Price's performance rights will vest, this may constitute a 'benefit' for the purposes of section 200B of the Corporations Act.

Accordingly, the Board seeks Shareholder approval for the exercise of the Board's discretion in respect to Chris Price's participation in the EIP in the event that he holds:

- a managerial or executive office in the Company at the time of cessation of his employment or at any time in the preceding three years; and
- unvested performance rights at the time of cessation of his employment.

If Shareholder approval is given, the value of this benefit will not be counted towards the cap in the termination benefits that can be given to managerial or executive officers without Shareholder approval.

The value of the proposed benefit cannot be ascertained at the time of this Notice as the number of vesting performance rights and the value of resulting Shares will depend on various matters including:

- the extent of the Board's discretion exercised in determining the number of performance rights that vest;
- the time of cessation of Chris Price's employment; and
- the Share price at the time of vesting.

The Resolution for this Item is an ordinary resolution requiring a simple majority of votes cast in favour by Shareholders entitled to vote on the Resolution.

Recommendation: The Directors (with Chris Price abstaining) recommend that Shareholders vote in favour of this Resolution.
